The Wartook Environment Group is an association of land owners and supporters dedicated to the protection of the natural values of the Wartook region. The group provides a forum on the environmental issues of the neighbourhood and will enact decisions determined by the members.

Where possible the group will utilise the facility of email and internet to inform and consult. A secretariat will be delegated to coordinate the business of the group. An annual membership fee of \$10 per household will be used for operational expenses according to group decisions.

The hierarchy of principles considered in the operation of the group are:-

1. Protection for the natural ecosystems.
2. Maintenance of the area's tranquillity.
3. Existing rights of property owners.
4. Preservation of natural bushland zone adjacent to National Park
5. Encouragement of low impact and self-sufficient lifestyles.

To be applied in relation to the objectives of:-

- (a) Conducting a not for profit community environment group for Wartook.
- (b) Conservation of the local natural environment
- (c) Protection of the amenity of the area
- (d) Providing a forum for neighbourhood issues
- (e) Representing the group interests at consultations and proceedings.
- (f) Seeking advice and support for landholders on environmental protection.
- (g) Collect funds and resources to support the group operation.

Should the group cease to operate any funds will be distributed to members according to the percentage of financial contribution made by the member to the organisation.
